**Declaration of Conflict of Interest:**

**For regular council meeting today June 2 2021 which I did not participate and asked to be excused due to a death in the family and May 5, 2021**

**I declare a direct pecuniary interest /conflict on all items of spending, revenues, expenditures past current and forecasted for legal and IC investigation, inquires or reports billed in any periods for which numbers may be reflected in materials provided, discussed and or suggested or referred to:**

- 1. as a result of the on-going application before the courts**
- 2. as a result of complaints filed against me, investigations, reporting or any billed action by our IC or those hired by her**

**And I declare:**

**Indirect pecuniary interest as a result of my having profit gained from doing business with Hannah's food mart who has an ongoing legal proceeding unresolved and ongoing before the courts**

**And further I declare:**

**Deemed direct pecuniary interest resulting from the fire charges at 2499 Schutt Road as that property is owned by my son and his interest is viewed as my own**

**More specifically I declare an indirect pecuniary interest in the proposed support of the resolution by Bonnechere Valley Re: Brewery Manufacturer's at farmer's markets; item 6.1 in the June 2 2021 council materials, resolution dated May 18. 2021 Moved by Tim Schison and 2<sup>nd</sup> by Jack Roesner as I am a vender at two local farmer's markets and should this motion have affect it could potential affect business at the local markets affecting my income.**

**And**

**payments of the above noted billings as they may be included in the list of payments to be approved in the June 2, 2021 payments**

**And**

**to clarify and be clear May 5, 2021 Regular Council meeting payments to ISN which it was not clear what portion of the payment MAY/COULD/IS directly resulting from my role as councillor, in caution as discussed I declare a direct conflict should that payment be as a result of me. It is noted in the minutes of that May 5 2021 meeting minutes that I seconded the motion to make those payments but yet that is not what I recall or noted during the meeting and therefore want to make my declaration clear which would not allow me to approve that payment while in conflict.**

**As a result, in caution and duty I advise council and the public that these conflicts exist for me and I therefore will not participate in those discussions or votes.**
