

NOTICE OF ROAD CLOSURE

Township of Brudenell, Lyndoch and Raglan

Due to high temperatures and fast melting snow pack; tributaries around the Municipality have increased in volume substantially over the past days. This has since caused a culvert failure on Lower Rosenthal Road near the intersection of Yourth Road. The road is currently closed to all traffic. Road crews will assess and repair during normal hours of April 13th. If you spot problem areas on roads you travel, please report them to the Municipal Office at 613-758-2061.
