A Message from the BLR Recreation Committee

Over a year has passed since the establishment of the BLR Recreation Committee. We continue to evolve through experience we gain along the way. In 2025 we will build on this momentum while providing opportunities for our community to attend events & activities. Recreation is more than just an activity, it's about finding joy in everyday moments and providing the opportunity for social inclusion. Recreation prolongs independent living for seniors, keeping seniors vital and involved in community life. It is essential to the development of our children and youth, we learn motor skills and social skills through play and sports, and develop intellectual capacities and concepts through play. The BLR Recreation Committee would like to invite secondary school students to volunteer with us! What a great way to get your community hours while making an impact in the community. For more information contact the Township office. Keep an eye out for postings on the BLR Recreation Facebook page and the BLR Township Facebook page. We look forward to seeing everyone out for events and activities.

Sincerely, Dave Ryan (President/Chair),
Linda Yuke (Treasurer), Lorilei Mayhew
(Secretary), Diane Neuman (Member),
Nancy Meens (Member)
