# EMPLOYEE REPORT

**Report Date:** September 26, 2025

**Date of Council Meeting:** October 1, 2025

**Prepared By:** Jordan Genrick

**Approved By:** Virginia Phanenhour

---

## **Reason for this Report**

To provide Council with information regarding the front load recycle bins at waste sites.

## **Recommendation**

That Council for the Corporation of the Township of Brudenell, Lyndoch & Raglan direct the Operations Manager to accept the sale proposal in the amount of \$500/Bin for 37 bins from Miller Waste.

## **Facts and Issues**

As part of the transition in our recycling program the Municipality will no longer be responsible for the handling or transport of eligible recyclables. In 2018 the Municipality purchased 39 eight cubic yard front load bins to accommodate all household waste and recycling needs. The bins were used for a very short period of time to transfer household waste and later returned to transporting waste in house. Since this time the bins were used for recycling only with not all bins ever being utilized. As we approach the launch of the new recycling program, staff met with Miller Waste who will be taking over collection and haulage of recyclables in Renfrew County. Millers have since offered to purchase our bins at \$500/ bin. Staff have estimated that since the purchase of the bins the depreciated value of each is approximately \$507. Should Council decide to keep the bins, Millers would bring in new bins and set ours to the side. Staff recommend that Council accept the proposed \$500/ bin and sell 37 of the 39, this leaves 2 for “non-eligible” recyclables.

RESOLUTION PAGE**

**Committee of the Whole**

**Agenda Number:** 3.2.3.  
**Resolution Number** 2025-214  
**Title:** Report to Council - Natural Gas Expansion - Project Cancellation  
**Date:** September 3, 2025

---

**Moved by:** Councillor Laframboise  
**Seconded by:** Councillor Lachance

**WHEREAS** the Municipality of St.-Charles benefited from the Natural Gas Expansion Program Phase 2 expansion funding announced on June 9, 2021;

**AND WHEREAS** on August 13, 2025, the Municipality of St.-Charles was notified that the expansion project was cancelled due to mounting costs associated with inflation and difficult terrain;

**AND WHEREAS** Northern Ontario is on the cusp of substantial growth largely related to accessing critical minerals that will drive expansion in the mining sector;

**AND WHEREAS** with this economic expansion comes the need to support growth in traditional sectors such as farming, healthcare, forestry, and education;

**AND WHEREAS** employment growth will create increased demand for new housing developments to ensure that workers have a place to live, work, and play, all of which are closely tied to accessing natural gas as an affordable energy source and essential infrastructure for future residential, commercial, and industrial development;

**AND WHEREAS** current energy challenges force developers to explore alternatives such as oil and propane, which, while serving as temporary solutions, come with high costs and raise environmental concerns;

**AND WHEREAS** there is an urgent need for investment in sustainable energy solutions that are affordable, reliable, and environmentally responsible to support both current and future development;

**AND WHEREAS** natural gas is recognized as a clean, economical, and domestically sourced energy option that will lower energy costs for residents, farms, and businesses, while also enhancing opportunities for northern communities to grow by attracting new housing developments and commercial investment;

**AND WHEREAS** natural gas serves as a critical transition fuel that reduces reliance on higher-emission sources such as oil and propane, while enabling time and capacity for future investments in renewable and low-carbon energy;

**BE IT THEREFORE RESOLVED** that Council for the Corporation of the Municipality of St.-Charles respectfully requests the Government of Ontario to support and approve the expansion of natural gas infrastructure to rural municipalities such as St.-Charles by undertaking a review of the Ontario Energy Board's Profitability Index model to incorporate a Northern Cost Adjustment that fairly accounts for the higher costs of construction in Northern Ontario caused by terrain challenges such as bedrock and wetlands, as well as the realities of distance, climate, and lower population density, to ensure that rural and northern communities are not disadvantaged in accessing natural gas infrastructure;

**AND BE IT FURTHER RESOLVED** that the Municipality of St.-Charles requests the Province to embed northern natural gas expansion as a priority in Ontario's Integrated Energy Plan and regional economic growth strategies;

**AND BE IT FURTHER RESOLVED** that this Resolution be forwarded to FONOM, ROMA, AMO and all northern municipalities to build collective support for equitable natural gas expansion in Northern Ontario.

## **Re: Resolution of Support – City of St. Catharines – Elect Respect Pledge**

---

Please be advised that at the September 3, 2025, regular Council meeting, the Council of the Corporation of the Township of Southgate, approved the following:

No. 2025-423

**Moved By** Deputy Mayor Dobreen

**Seconded By** Councillor John

**Be it resolved that** the correspondence from the City of St. Catharine's regarding the Elect Respect pledge be received and supported as outlined below:

**WHEREAS** democracy is healthy when everyone is able to participate fully and safely and contribute to the well-being of their community; and

**WHEREAS** we are witnessing the dissolution of democratic discourse and respectful debate across all levels of government and in neighbouring jurisdictions; and

**WHEREAS** Ontario's municipally elected officials and municipal staff are dealing with increasingly hostile, unsafe work environments facing threats and harassment; and

**WHEREAS** social media platforms have exacerbated disrespectful dialogue, negative commentary, and toxic engagement which disincentivizes individuals, especially women and candidates from diverse backgrounds from running for office; and

**WHEREAS** better decisions are made when democracy is respectful and constructive and the voices of diverse genders, identities, ethnicities, races, sexual orientation, ages and abilities are heard and represented around municipal council tables; and

**WHEREAS** the Association of Municipalities of Ontario's Healthy Democracy Project has identified concerning trends with fewer people voting in local elections and running for municipal office; and

**WHEREAS** in 2024, female elected representatives from across Halton formed a group called H.E.R. (Halton Elected Representatives) which pledged to speak out against harassment and negativity in politics and called on elected officials to uphold the highest standards of conduct; and

**WHEREAS** H.E.R. Halton has launched a campaign called Elect Respect to promote the importance of healthy democracy and safe, inclusive, respectful work environments for all elected officials and municipal staff that encourages individuals to participate in the political process; and

**WHEREAS** on June 5, 2025, the Canadian Association of Feminist Parliamentarians launched a non-partisan "Parliamentary Civility Pledge" to encourage all parliamentarians to commit to end workplace harassment and increase civility on Parliament Hill, modelled after the pledge developed in Halton by representatives of H.E.R.;

**NOW THEREFORE BE IT RESOLVED THAT** the Council of the Township of Southgate supports the Elect Respect pledge and commits to:

- Treat others with respect in all spaces—public, private, and online,

- Reject and call out harassment, abuse, and personal attacks,
- Focus debate on ideas and policies, not personal attacks,
- Help build a supportive culture where people of all backgrounds feel safe to run for and hold office,
- Call on relevant authorities to ensure the protection of elected officials who face abuse or threats, and
- Model integrity and respect by holding one another to the highest standards of conduct; and

**BE IT FURTHER RESOLVED THAT** the Township of Southgate Council calls on elected officials, organizations and community members to support the Elect Respect campaign and sign the online pledge at [www.electrespect.ca](http://www.electrespect.ca); and

**BE IT FURTHER RESOLVED THAT** a copy of this resolution be sent to the Association of Municipalities of Ontario, the Federation of Canadian Municipalities, MP Alex Ruff and MPP Paul Vickers, the Ontario Provincial Police, and all Ontario Municipalities.

If you have any questions, please contact our office at (519) 923-2110.

Sincerely,

**Re: Town of Aurora Council Resolution of September 23, 2025  
Member Motion 8.9.1 - Councillor Gilliland; Re: Elect Respect Campaign Support**

Please be advised that this matter was considered by Council at its meeting held on September 23, 2025, and in this regard, Council adopted the following resolution:

**Whereas a healthy democracy thrives when all individuals can participate safely, equitably, and meaningfully in public life; and**

**Whereas Aurora, like many municipalities across Ontario, is witnessing an erosion of civil discourse and growing hostility in the political arena, both in person and online; and**

**Whereas elected officials at all levels, particularly women and those from equity-deserving communities, are experiencing increased threats, harassment, and toxic engagement that deter civic participation; and**

**Whereas social media platforms, while powerful tools for engagement, have contributed to a climate of disrespect and polarization that discourages individuals from seeking or maintaining public office; and**

**Whereas inclusive and respectful governance results in better decision-making and stronger representation, especially when voices of diverse genders, identities, races, ethnicities, sexual orientations, ages, and abilities are present at municipal council tables; and**

**Whereas the Association of Municipalities of Ontario (AMO), through its Healthy Democracy Project, has identified troubling trends of voter apathy and a declining interest in running for municipal office; and**

**Whereas in 2024, a group of female elected officials from Halton formed H.E.R. (Halton Elected Representatives), launching the Elect Respect campaign to advocate for respectful political engagement and safe, inclusive workplaces; and**

**Whereas on June 5, 2025, the Canadian Association of Feminist Parliamentarians launched a national Parliamentary Civility Pledge, inspired by the work of H.E.R., to promote respectful conduct among elected officials;**

**1. Now Therefore Be It Hereby Resolved That the Town of Aurora Council endorses the Elect Respect pledge and commits to:**

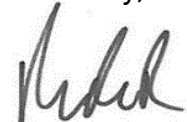

- **Treating all individuals with respect in every setting; public, private, and digital;**
- **Speaking out against harassment, intimidation, and personal attacks;**
- **Keeping debate focused on ideas and public policy, not individuals;**
- **Fostering an environment where people of all backgrounds feel safe and supported in seeking and holding public office;**
- **Urging relevant authorities to ensure the safety and protection of elected officials facing threats or abuse;**
- **Demonstrating leadership through integrity, accountability, and mutual respect among colleagues and constituents; and**

**2. Be It Further Resolved That the Town of Aurora encourages other municipalities, elected officials, organizations, and residents to support the Elect Respect initiative and sign the pledge at [www.electrespect.ca](http://www.electrespect.ca); and**

**3. Be It Further Resolved That a copy of this resolution be sent to the Association of Municipalities of Ontario (AMO), Ontario's Big City Mayors, the Federation of Canadian Municipalities (FCM), local Members of Parliament (MPs) and Members of Provincial Parliament (MPPs), York Region, York Regional Police, and all Ontario municipalities.**

The above is for your consideration and any attention deemed necessary.

Sincerely,

Michael de Rond

**RE: Closure of Before and After School Programs**

Dear Premier Ford and Minister Calandra,

The Council of the Municipality of Bluewater passed the following resolution at their September 2, 2025 regular meeting:

**MOVED:** Councillor Harris **SECONDED:** Councillor Whetstone

**WHEREAS** on August 19, 2025, London Bridge Child Care Services Inc. advised that they will be closing all London Bridge Huron County Before and After School Programs, which affects Bluewater Coast Elementary School, Exeter Elementary School, and Precious Blood Catholic School; and

**WHEREAS** London Bridge Child Care Services Inc. cites ongoing staffing shortages in Huron County and across the province as the reason for this closure; and

**WHEREAS** the closure of the London Bridge Before and After School Programs, along with the Preschool Program at Bluewater Coast Elementary School, are creating a significant and immediate challenge for families with young children; and

**WHEREAS** the Council of the Municipality of Bluewater recognizes the importance of before and after school programs which provide a trusted, safe, and consistent environment for children outside of regular school hours – support that many working parents and guardians rely on to balance their jobs and family responsibilities; and

**WHEREAS** the Avon Maitland District School Board and the Huron-Perth Catholic District School Board do not operate licensed childcare programs, but partner with childcare providers to make use of school spaces where possible;

**NOW THEREFORE BE IT RESOLVED** that the Council of the Municipality of Bluewater urges the Province of Ontario to immediately implement other service delivery models that are being successfully modeled elsewhere in the province to address the Early Childhood Educator shortage.

**AND FURTHER THAT** this resolution be forwarded to the Honourable Doug Ford, Premier of Ontario, the Honourable Paul Calandra, Minister of Education, and all Ontario Municipalities. **CARRIED.**

Honourable Greg Rickford  
Minister of Northern Development  
Suite 400  
160 Bloor Street  
Toronto, ON M7A 2E6

Dear Hon. Greg Rickford:

This is Resolution No. 2025-279 which was passed by Council at its Regular Meeting held Tuesday, August 12, 2025.

Resolution No. 2025-279:

"Whereas the Northern Ontario Resource Development Support (NORDS) pilot program was introduced to help Northern Ontario municipalities address infrastructure pressures resulting from natural resource sector activities;

And Whereas the program has been well received and has allowed municipalities, such as the City of North Bay, to strategically accumulate multi-year allocations in order to support large-scale infrastructure initiatives critical to community development and economic growth;

And Whereas the City of North Bay recognizes the importance of modern, safe, and efficient infrastructure to support economic growth and industrial competitiveness;

AND WHEREAS the Seymour Street Widening project from Station Road to Wallace Road, including a signalized intersection, is a critical continuation of the intersection improvement at Hwy 11/17 and Seymour Street, directly supporting a high-value industrial zone;

And Whereas this arterial corridor enables key sectors such as mining, forestry, construction, and manufacturing to receive and ship goods efficiently, impacting markets provincially and beyond;

And Whereas the updated total Seymour Street Widening project budget of approx. \$11 million includes contributions from multiple funding programs such as NORDS (\$2 million) and OCIF (\$4,259,448).

Therefore Be It Resolved That the Council of the City of North Bay strongly urges the Government of Ontario to make the Northern Ontario Resource Development Support (NORDS) program a permanent fixture of its support to Northern municipalities;

And Further Be It Resolved That the Province consider expanding program eligibility to recognize the significant impact that agricultural equipment and operations have on municipal infrastructure, particularly in rural communities;

And Further Be It Resolved That the Council of the City of North Bay formally supports the principle of stacking (accumulating) funding from multiple grant and infrastructure programs to advance strategic capital works, such as the Seymour Street Widening project, and requests continued flexibility from higher levels of government to enable effective financial planning and timely delivery of large-scale municipal infrastructure initiatives;

And Further Be It Resolved That a copy of this resolution be forwarded to the Minister of Northern Development, the Minister of Agriculture, Food and Agribusiness, the Minister of Infrastructure, the Minister of Natural Resources, Nipissing MPP Victor Fedeli, the Association of Municipalities of Ontario (AMO), the Federation of Northern Ontario Municipalities (FONOM), the Northwestern Ontario Municipal Association (NOMA), Rural Ontario Municipal Association (ROMA) and all Northern Ontario municipalities for their awareness and support."

**Re: NORDS Pilot Program**

Dear Honourable Greg Rickford,

At its regular meeting held on August 19, 2025, the Council of the Township of Assiginack passed the following resolution expressing support for making the NORDS pilot program permanent:

*Resolution #173-08-2025 – R. Maguire – J. Bowerman*  
*WHEREAS the City of North Bay has circulated their letter to the Province requesting the NORDS pilot program to become a permanent funding opportunity for Northern municipalities and to expand the criteria to include agricultural equipment impact on roads;*  
*THEREFORE, BE IT RESOLVED THAT Assiginack Council agrees and provides their support of this request.*  
*Carried.*

The NORDS program provides essential support for maintaining and improving infrastructure that is critical to Northern municipalities. Making this program permanent and expanding its criteria would ensure that rural and agricultural communities can manage the increasing strain on local roads caused by agricultural and heavy equipment.

We respectfully urge the Province to consider making the NORDS program a permanent funding initiative and thank you for your attention to this important matter.

Sincerely,

Whereas drowning is one of the leading causes of preventable deaths among children in Ontario and research by the Lifesaving Society of Ontario shows that most children who drown never intended to be in the water; and

Whereas evidence demonstrates that even basic swimming and water survival skills significantly reduce the risk of drowning; and

Whereas many children in Ontario do not have equitable access to swimming lessons outside of school due to financial, cultural or geographic barriers; and

Whereas several municipalities across Ontario have expressed strong interest in improving water safety education for children; and

Whereas the Ministry of Education has the authority to incorporate water safety and survival training into the regular elementary school curriculum as a universal, life-saving skill comparable to fire safety and road safety instruction;

Therefore, be it resolved that the Council of The Corporation of The City of Dryden respectfully urges the Government of Ontario, through the Ministry of Education, to incorporate mandatory water safety and Swim-to-Survive training into the elementary school curriculum for all Ontario students; and

Be it further resolved that a copy of this resolution be forwarded to The Honourable Minister of Education of Ontario, local Members of Provincial Parliament, the Association of Municipalities of Ontario and all Ontario municipalities, with a request for their endorsement.

Right Honorable Prime Minister:

RE: Resolution Passed by Woolwich Township Council – Bill C-61 First Nations Clean Water Act

This letter is to inform you that the Council of the Township of Woolwich passed the following resolution at their meeting held on September 23, 2025:

**WHEREAS in December 2023, the Minister of Indigenous Services introduced house government bill C-61: An Act respecting water, source water, drinking water, wastewater and related infrastructure on First Nation lands also known as the First Nations Clean Water Act; and**

**WHEREAS in an open letter to Members of Parliament on December 12, 2024, the Assembly of First Nations (AFN) called on all Members of Parliament to prioritize the advancement of Bill C-61, calling it “a step toward addressing the long-standing water issues faced by First Nations”; and**

**WHEREAS Bill C-61 was not passed into law before Parliament was prorogued on January 6, 2025; and**

**WHEREAS Minister of the Environment, Conservation and Parks Todd McCarthy has been unclear on Ontario’s position on this legislation, identifying Bill C-61 as a potential piece of legislation that would “undermine competitiveness” and “delay project development” before apologizing for any confusion and clarifying the need to “bring clean drinking water to First Nations communities, while also bringing the kind of regulatory certainty that attracts investment in businesses and communities”; and**

**WHEREAS Prime Minister Mark Carney and Indigenous Services Minister Mandy Gull-Masty have indicated the Canadian government’s support for introducing legislation like Bill C-61 in the fall of 2025; and**

**WHEREAS as of September 2025, Indigenous Services Canada data shows that while 93 long-term drinking water advisories have been lifted, since November**

**2015, 37 long-term drinking water advisories remain active, including in 27 communities in Ontario; and**

**NOW THEREFORE be it resolved that the Council of the Township of Woolwich:**

- 1. Calls on the Government of Canada and the Minister of Indigenous Services to reintroduce legislation to ensure First Nations have the right to clean and safe drinking water in the Fall of 2025 in the same form as Bill C-61;**
- 2. Calls on the Government of Ontario and the Minister of the Environment, Conservation and Parks to support this important Federal legislation; and**
- 3. Directs staff to forward this resolution to the Prime Minister, Minister of Indigenous Services, Premier of Ontario, Minister of the Environment, Conservation and Parks, Assembly of First Nations and all Municipalities in Ontario.**

Dear Mayor & Councillors,

We are pleased to share the latest update on the Emergency Department redevelopment and enhancement of ambulatory care services, a project made possible by your extraordinary support.

Phase 1 construction is well underway on the 6,000 square foot addition for the new emergency department and is on track for completion ready for summer. The process of purchasing equipment for the new space has also begun, ensuring that the department will be fully outfitted and ready to serve the community once construction is complete.

Once finished, the state-of-the-art emergency department will feature:

- A dedicated isolation room with negative air pressure
- An enclosed ambulance entrance inside a secure garage
- A dedicated area for mental health care
- A new trauma area to enhance emergency response
- Enhanced patient privacy, including a new triage area and self-contained exam rooms
- And more!

Following this, Phase 2 will focus on the 6,600 square foot renovation of the ambulatory care space, which is expected to take approximately one year to complete.

Throughout construction, St Francis Memorial Hospital continues to provide essential services to patients.

Your generosity has brought this vision to life and ensures that everyone in our community will continue to have access to high-quality, patient-centred care for years to come.

We look forward to keeping you updated as the project progresses and to celebrating the completion of this vital community resource, a testament to the generosity and commitment of donors like you.

10.8 St. Francis Memorial Hospital ER Construction Upda...

September 9<sup>th</sup>, 2025

### **St. Francis Memorial Hospital Emergency Redevelopment Project Update**

The redevelopment project for the St. Francis Memorial Hospital Emergency Department and Ambulatory Care is well underway and is on time and on budget.

The project began in March 2025, and several milestones have been reached already. The foundation and cinder block walls for the new addition are in place, and the roofing is close to completion. The propane lines for the hospital as well as the gazebo were relocated to ensure that SFMH can continue operations of the helipad.

Over the next few months, there will be a lot of work happening, some of which will be visible on the outside of the building, and some that will be happening on the inside.

On the outside of the building the following will occur:

- The western embankment of the property will be reinforced to ensure the helipad is stable and operational
- The base layer asphalt will be installed around the new addition
- Access and connections will be installed within the new addition

Work that you may notice if you are inside the building include:

- The link between the hospital and medical building will be closed for less than a week to open a connection for future use.
- Some of the second-floor windows will be changed so that they align with the roofing height of the new addition and will allow patients to be able to continue to see the outdoors

Sullivan and Son Inc. as well as the affiliated subcontractors are making excellent progress. Thus far, the quality of the project is already evident.

**WHEREAS** the Province of Ontario, through the Ministry of Natural Resources and Forestry, is planning to begin aerial spraying of glyphosate-based herbicides in late August 2025 in the Nipissing Forest; and

**WHEREAS** the Nipissing Forest covers a significant portion, if not all, of the Municipality of West Nipissing, and residents and ecosystems may be impacted by this activity; and

**WHEREAS** new scientific evidence published since Health Canada's last assessment of glyphosate in 2017 has linked glyphosate-based end-use products to cancer, metabolic and neurological diseases, reproductive toxicity, and ecosystem harm; and

**WHEREAS** the Province of Quebec banned the use of glyphosate for forestry purposes in 2001 and replaced aerial herbicide spraying with manual forest thinning as a safer alternative forest management method; and

**WHEREAS** many residents have expressed concern regarding the potential environmental and public health risks associated with aerial spraying of glyphosate-based herbicides;

**NOW THEREFORE BE IT RESOLVED THAT** the Council of the Municipality of West Nipissing formally request that the Honourable Mike Harris Jr., Minister of Natural Resources and Forestry, reconsider the planned use of glyphosate-based herbicides in the Nipissing Forest and suspend the aerial spraying initiative until further independent research and updated risk assessments are completed and reviewed; and

## RESOLUTION

Date: August 12, 2025

Motion # 248

WHEREAS Ontario's Family Health Teams provide team-based healthcare which is critical to our communities;

AND WHEREAS healthcare in Ontario is publicly funded;

AND WHEREAS municipalities invest significant additional public/taxpayer money in support of Family Health Teams and other healthcare-related organizations, including supports for primary care recruitment, healthcare facilities, and additional community healthcare needs;

AND WHEREAS the governance models for Family Health Teams in Ontario do not follow mandatory standards;

AND WHEREAS governance models are designed to ensure appropriate representation, transparency, and guardrails with respect to potential conflicts of interest for the organizations they represent;

AND WHEREAS many boards of Family Health Teams are not balanced in terms of representation from the communities and municipalities that they cover;

AND WHEREAS the lack of a standard and balanced governance model means that the needs of the local communities are not necessarily fully represented;

AND WHEREAS the province is directing the Primary Care Action Team (PCAT), through Dr. Jane Philpott, to ensure connected and convenient healthcare across the province;

AND WHEREAS Family Health Teams are crucial in the delivery of the mandate of PCAT;

NOW THEREFORE BE IT RESOLVED THAT The Council of the Township of Armour urges the Province of Ontario to implement a standard and mandatory governance model for the boards of Family Health Teams across the province, which ensures that community members make up 50% of the overall board membership to ensure appropriate representation for the communities which use and support healthcare in their local area;

AND THAT a copy of this resolution be forwarded to the Honourable Doug Ford, Premier of Ontario; the Honourable Sylvia Jones, Deputy Premier and Minister of Health; Dr. Jane Philpott, Chair of the Primary Care Action Team; the Association of Municipalities of Ontario (AMO); the Association of Family Health Teams of Ontario (AFHTO); and all municipalities in Ontario.

To: All Ontario Municipal Councils

**Collaborative Action on Sustainable Waste Management In Ontario**

As members of municipal councils, we share a responsibility to make decisions that result in the most positive outcomes for both our current residents and future generations. The management of municipal waste is one of the most pressing environmental challenges we face today.

Large urban centres are increasingly looking to rural areas for land to bury garbage waste. Continuing to bury garbage in the ground will inevitably lead to serious consequences:

Globally, solutions already exist. Clean incineration technology can drastically reduce the volume of waste going to landfills while producing much needed electricity. Germany serves as an inspiring model, operating 156 municipal thermal waste incineration facilities with an aggregate annual capacity of 25 million tonnes. At the same time, Germany recycles 66.1% of its municipal waste, the highest rate in the world, driven by strong community engagement, innovative infrastructure, and early education programs that foster a culture of sustainability.

We believe Ontario can and must do better.

We are calling for:

1. The creation of a provincial working group composed of municipalities, the Provincial and Federal Governments, and manufacturing partners;
2. A commitment to exploring and implementing clean incineration, stronger recycling programs, and other sustainable practices;
3. Support from municipal councils across Ontario to advocate for immediate action at all levels of government.

We respectfully request that your council consider supporting this initiative by passing a similar resolution and communicating your support to Premier Doug Ford, the opposition parties, and other relevant stakeholders. By acting together, we can ensure that waste disposal in Ontario is managed quickly, efficiently, and sustainably protecting our environment and safeguarding our communities for generations to come.

Jim Flieler

Councillor, Municipality of Tweed

## **Resolution for Incineration and a more Robust Recycling Program**

**Whereas it is incumbent upon the members of council, MPP's and MPs to make the decisions that will result in the most positive outcomes for now and future generations**

**And Whereas with large urban centres now looking in rural areas of our province and entire country for lands to bury their garbage waste**

**And Whereas a large landfill site owned by a large urban centre which receives 50% of their garbage at the present time is expected to be full by 2029 creating more environmental impacts**

**And Whereas continuing to bury garbage in the ground will result in our future generations having lost potable groundwater as a result of garbage leachate rendering it unusable.**

**And Whereas burying garbage, particularly organic waste in landfills, leads to the production of methane a greenhouse gas, which escapes into the atmosphere and contributes to climate change causing more environmental destruction.**

**And Whereas we continue to destroy our environment jeopardizing our future generations**

**And Whereas we have worldwide technology that will allow us the use of clean incineration and also produce much needed electric energy**

**And Whereas the incineration of household and other municipal waste has a long tradition in Germany, which currently has 156 municipal thermal waste incineration facilities with an aggregate annual capacity of around 25 million tons**

**And Whereas with a strong focus on community involvement, innovative infrastructure, and sustainable practices, Germany has set a high bar for municipal recycling programs that the rest of the world can learn from and emulate.**

**And Whereas at the present time, Germany recycles 66.1% of its garbage waste at a municipal level. This places the country as the most effective and prominent country when it comes to recycling in the entire world. This highlights the citizen's strength and motivation to deal with environmental issues on a daily basis.**

**And Whereas German schools often integrate recycling education into their curriculum. This early exposure to the importance of recycling instills a sense of responsibility in the younger generation, creating a culture of sustainability that transcends generations.**

**Now Therefore be it resolved that Council direct staff to investigate the possibility of working together with Ontario Municipalities, Provincial and Federal Governments as well as our manufacturing partners to form a working group to ensure that our waste disposal issues can be resolved quickly, efficiently and effectively with the use of incineration, more robust recycling programs and sustainable practices so that our future generations will not suffer from our environmental mismanagement and to request support from these organizations as well as letters being sent to all municipalities in Ontario, Premier Ford and the opposition parties.**
