Dear Prime Minister Carney and Premier Ford:

Re: Removing HST/GST from New Homes to Support Housing Affordability

At its meeting of October 21, 2025, the Council of the Town of Bradford West Gwillimbury adopted the enclosed motion calling on the Governments of Canada and Ontario to remove the federal and provincial portions of the HST from new homes purchased as primary residences.

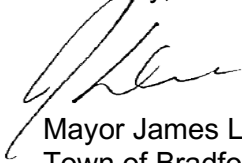

This measure would extend the relief already provided for purpose-built rental housing to families seeking to buy their first home. It represents a practical, immediate step toward improving affordability and supporting new housing supply.

For an average new home in our community, the 13 percent HST adds tens of thousands of dollars to the purchase price, a burden that directly undermines our shared goal of making homeownership affordable for working families and seniors. Removing that tax would provide meaningful relief.

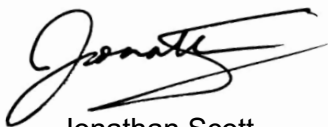

Bradford West Gwillimbury is one of Ontario's fastest-growing municipalities, investing heavily in growth-related infrastructure while working to keep housing within reach. We urge both levels of government to work together on this change as part of a broader strategy to make homeownership attainable again for young Canadians. Simply put, cutting taxes in this way will help make life more affordable.

We would welcome the opportunity to contribute to any federal-provincial review of housing-related taxation and policy tools that can help deliver more affordable homes.

Sincerely,

Mayor James Leduc

Re: Removing HST/GST from New Homes to Support Housing Affordability

At its Regular Meeting of Council held on Tuesday, October 21, 2025, the Town of Bradford West Gwillimbury Council approved the following resolution:

Resolution 2025-343

Moved by: Councillor Scott

Seconded by: Councillor Duhaney

WHEREAS housing affordability is one of the most pressing issues facing Ontario families;

WHEREAS the federal government recently announced GST relief for first-time homebuyers on new homes, and the Province of Ontario removed the provincial share of HST on new purpose-built rental housing; and

WHEREAS the current HST rate on new homes in Ontario is 13%, which adds tens of thousands of dollars to the cost of a typical home, e.g. about \$117,000 on a \$900,000 home in Bradford before any existing rebates;

THEREFORE, BE IT RESOLVED that the Council of the Town of Bradford West Gwillimbury calls on the Government of Canada to remove the GST/HST from all new homes purchased as primary residences, and to work in partnership with the Government of Ontario to ensure full elimination of the provincial portion as well; and

BE IT FURTHER RESOLVED that this resolution be circulated to the Prime Minister of Canada, Minister of Finance and the Minister of Housing, Infrastructure and Communities; and to the Premier of Ontario, the Ontario Minister of Finance, the Ontario Minister of Municipal Affairs and Housing, our local MP and MPP, the Association of Municipalities of Ontario, and to all municipalities in Ontario.

Re: Solve the Crisis and Winter Homelessness Program Support

The following resolution was passed by Ajax Town Council at its meeting held on November 17, 2025:

Whereas, we are approaching the cold winter months and the number of people experiencing homelessness in Ajax and Durham Region continues to rise drastically, with more than 1,000 people on Durham Region's by-name list as of August, including specifically 200 people in Ajax seeking support to change their housing status¹; and

Whereas, in September 2024, Ajax Council passed a motion to support Ontario Big City Mayors (OBCM) SolveTheCrisis.ca² campaign requesting that the provincial and federal governments take immediate action to solve the homelessness and mental health crisis gripping our communities; and

Whereas, while the provincial government has provided support for new programs such as Homeless and Addiction Recovery Treatment Hubs (HART Hubs), it does not adequately address the growing crisis and the financial and social impact on municipalities and regions; and

Whereas, according to the Association of Municipalities of Ontario, municipalities are providing [51.5% of the total reported homelessness program funding across all three levels of government](#), making a significant financial impact on municipal budgets³; and

Whereas, OBCM recently passed a motion at their October Meeting re-iterating the need for provincial support in addressing this crisis by allocating more funding to programs that address chronic homelessness; and

Therefore, be it resolved:

1. That Ajax Council reconfirms their support of the Solve the Crisis Campaign and calls on Ajax residents to join us in appealing to the provincial and federal governments for support by visiting SolveTheCrisis.ca; and
2. That Ajax Council asks that the provincial government to take action on the requests of the Solve the Crisis Campaign that have not been fully addressed including:
 - a. Appoint a responsible ministry and Minister with the appropriate funding and powers as a single point of contact to address the full spectrum of housing needs as well as mental health, addictions and wrap around supports.
 - b. This single Minister must strike a task force with sector representatives including municipalities, health care leaders, first responders, community services, the business community, and the tourism industry to develop an Ontario Action Plan.
 - c. Provide municipalities with the tools and resources to transition those in encampments to more appropriate supports, when deemed necessary.
 - d. Commit to funding the services our unhoused population needs, community by community, to fill in gaps in the system.
 - e. Invest in 24/7 community hubs or crisis centres to relieve pressure on emergency departments and first responders; and
3. That Ajax Council asks that the provincial government prepares a 2025/2026 winter homelessness response plan to help municipalities ensure that we can keep our unsheltered residents who are sleeping outdoors with the services they need to keep them safe in colder weather; and
4. That a copy of this resolution be sent to Doug Ford, Premier of Ontario, Rob Cerjanec, MPP for Ajax, local MPPs across the Region of Durham, Durham Regional Council, all Ontario Municipalities, Ontario Big City Mayors (OBCM).

REGULAR COUNCIL MEETING

RESOLUTION

Tuesday, November 4, 2025

Resolution # RC25177	Meeting Order: 5
Moved by: <i>M. Hatfield</i>	Seconded by: <i>M. Opeto</i>

WHEREAS this council understands that the need for affordable rental housing not only applies to new builds but also to the protection of existing affordable units; and

WHEREAS the removal of rent control in 2018 on any new residential rental unit opened the door to excessive year over year rent increases and the resulting anxiety and mental anguish that come with unpredictable rental costs and loss of housing security; and

WHEREAS the loss of rent control has caused a high number of people across Ontario to be forced out of their homes due to their inability to afford their rent increases; and

WHEREAS without protection from excessive and malicious rent increases, many Wawa renters will also be at risk of being priced out of their own homes; and

WHEREAS unlimited rent increases can be used as a tool by landlords acting in bad faith to remove existing tenants in order to replace them with new tenants at increased rates; and

WHEREAS providing housing stability, maintaining affordable housing stock, and protecting renters from unfair rent increases is of utmost importance to this council.

WHEREAS This council recognizes that landlords are essential to a flourishing and affordable housing system; and

WHEREAS maintaining Northern Ontario as a location that is attractive to landlords is of utmost importance.

Re: Support For the Future Use and Deployment of Canadian Nuclear Energy.

Please be advised the following Resolution of the Council of the Town of Deep River was passed at the October 22, 2025 Regular Meeting of Council, in support of the Canadians for CANDU movement for the future use and deployment of Canadian nuclear energy, particularly Canadian designed CANDU Reactors, associated medical isotopes, and Small Modular Reactors.

4.3.1 Canadians for CANDU

RESOLUTION 2025 295

MOVED BY: Mayor D'Eon

SECONDED BY: Councillor Hughes

WHEREAS *Canadians for CANDU* is an advocacy group of Canadian business, science, education and indigenous leaders with a mission to secure Canada's clean energy future through further adoption of CANDU technology; and

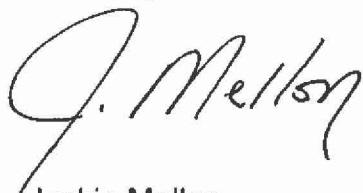

WHEREAS deploying safe, effective and efficient Made-in-Canada CANDU technology can help secure our energy independence and support a cleaner, healthier and more prosperous future for Canadians;

THEREFORE BE IT RESOLVED THAT as representatives of the thousands of our residents who have worked as employees of AECL's Chalk River Laboratories, and been instrumental in the development of the CANDU design, and maintenance of CANDU technology around the world, the Town of Deep River is proud to join *Canadians for CANDU* ambassadors Jean Chretien, former Prime Minister of Canada and Mike Harris, Former Premier of Ontario, and the dozens of business leaders who have signed onto the *Canadians for CANDU* movement to support the future use and deployment of Canadian nuclear energy, particularly Canadian designed CANDU Reactors, associated medical isotopes and SMRs; and

FURTHER THAT this Resolution be forwarded to the County of Renfrew, all Municipalities in Renfrew County, all Members of CANHC, the Federation of Canadian Municipalities, the Association of Municipalities of Ontario, the Premier of Ontario, and the Prime Minister.

REGULAR COUNCIL MEETING

RESOLUTION

Tuesday, November 18, 2025

Resolution # RC25195	Meeting Order: 7
Moved by: 	Seconded by: 

WHEREAS The Government of Ontario has passed Bill 5, Protect Ontario by Unleashing Our Economy Act, 2025, aiming to facilitate and accelerate resource development in Northern Ontario; and

WHEREAS Bill 5 presents far-reaching implications for municipalities, First Nations, and Indigenous communities across Northern Ontario—particularly affecting natural ecosystems and regions where women, Two-Spirit, and gender-diverse people have historically borne the brunt of unchecked development and continue to face systemic disparities and heightened risks tied to resource extraction; and

WHEREAS Women are too often included in economic and development decisions as an afterthought, rather than as proactive and central stakeholders, despite their increasing presence in leadership across municipalities, First Nations governments, community services, and economic development organizations; and

WHEREAS First Nations of Ontario women continue to be underrepresented at decision-making tables, despite significant leadership: as of recent reports, women hold over 35% of elected Chief positions in First Nations of Ontario, and significantly more leadership positions within community organizations, health, and education boards - positions that bring deep experience in balancing development with community well-being; and

WHEREAS The legacy of natural resource development in Northern Ontario has contributed to environmental degradation and social disruption, including clear links to the ongoing crisis of Missing and Murdered Indigenous Women, Girls, and Two-Spirit People (MMIWG2S); and

WHEREAS The National Inquiry into Missing and Murdered Indigenous Women, Girls, and Two-Spirit People (MMIWG2S) identified extractive industries as a key contributor to increased vulnerability to violence, especially in isolated development zones lacking oversight and safeguards; and

Part 2...

The Corporation of the Municipality of Wawa

REGULAR COUNCIL MEETING

RESOLUTION

WHEREAS Resource extraction has historically contributed to environmental degradation, increased cost-of-living, housing instability, and elevated levels of gender-based violence, particularly in rural and remote areas; and

WHEREAS Without gender-based and culturally informed planning, development under Bill 5 risks reproducing the same harmful patterns of exclusion, exploitation, and environmental harm that have characterized previous waves of resource development; and

WHEREAS Development under Bill 5 also presents opportunities for women's economic empowerment—including entry into skilled trades, environmental monitoring, and leadership roles in infrastructure and project planning—if such pathways are made intentional, accessible, and equitable; and

WHEREAS Environmental degradation is directly linked to the health and well-being of women and children, particularly in remote and Indigenous communities where access to clean water, healthy food systems, and cultural practices are tied to land-based knowledge; and

WHEREAS The Province of Ontario has an obligation to ensure that economic growth is not achieved at the expense of women's safety, human rights, or environmental integrity.

NOW, THEREFORE, BE IT RESOLVED THAT The Corporation of the Municipality of Wawa calls on the Province of Ontario to:

1. Ensure that women, Two-Spirit, and gender-diverse people—particularly from Indigenous and Northern communities—are actively engaged at the forefront of all planning, consultation, and implementation processes under Bill 5, from concept to completion;
2. Establish a dedicated Ministerial role or mandate for overseeing and safeguarding women's rights, safety, and economic opportunity throughout the resource development process, including authority to apply gender-based impact assessments to proposed projects;
3. Mandate gender-based and intersectional impact assessments be carried out on all developments enabled by Bill 5, particularly with regard to safety, housing, transportation, healthcare access, and cultural impacts on women and girls;

Part 3...

The Corporation of the Municipality of Wawa

REGULAR COUNCIL MEETING

RESOLUTION

4. Ensure environmental protections are explicitly tied to community health outcomes, especially for women and children, by investing in environmental monitoring and enforcing strong environmental safeguards tied to traditional ecological knowledge and include community-led, land-based health indicators;
5. Invest in training, apprenticeship, and leadership programs to ensure women and girls—particularly those in remote, Indigenous, and underserved communities—can access opportunities in the skilled trades, environmental sciences, project management, and public service tied to resource development;
6. Recognize and act on the findings of the MMIWG2S Inquiry by implementing protective measures around development zones, including funding for shelters, safe transportation, trauma-informed care, community safety initiatives, and anti-violence strategies embedded in community agreements;
7. Publish annual, public-facing progress reports on the gendered impacts of development under Bill 5, including employment statistics, leadership inclusion, environmental outcomes, and indicators of community safety and wellness; and

BE IT FURTHER RESOLVED THAT This resolution be forwarded to the Premier of Ontario, the Minister of Energy and Mines, the Minister of Indigenous Affairs and First Nations Economic Reconciliation, the Associate Minister of Women's Social and Economic Opportunity, Minister of Municipal Affairs and Housing, and the Minister of the Environment, Conservation and Parks, FONOM, NOMA, as well as all Northern Ontario municipalities and First Nations governments.

Executive Summary

A YEAR OF ACCOMPLISHMENTS

In 2024, our organization deepened its commitment to fostering resilient and thriving communities across the Great Lakes and St. Lawrence River Basin, emerging as a leading advocate for preparing for a changing climate and advancing sustainable economic development. With over 70 organizations (business, government, and non-profit partners) joining the Mayors Commission on Economic Transformation, we have built an unprecedented coal-

ition to chart the development of our region's economy. We remain dedicated to a prosperous and sustainable future for all our communities — that means ensuring that your residents have access to good jobs, reliable and safe infrastructure, communities that are resilient to extreme weather, and access to all the opportunities that come with being in a region that makes up over 80 percent of North America's fresh water.

\$420 M

OVER
\$2 B

Helped secure over **\$2 billion** for water infrastructure funding across Canada to accelerate housing construction in our basin.

Letter from Our Co-Chairs

Dear Members,

As we reflected on 2024, our organization celebrated a year of delivering meaningful support to advance your priorities. We provided and secured financial resources, technical training, and instructional programs to help you and your staff implement effective green solutions for challenges facing your communities. We also worked alongside you and your teams to advocate for legislation and policies that improved your residents' lives. Our coalition grew to nearly 270 communities, supported by a dedicated team committed to providing the resources needed to make a real difference.

As mayors, we understood the immense challenges faced by our communities, especially when resources were limited. Our organization remained hyper-focused on helping your residents live healthy and fulfilling lives. Our mission was to safeguard the resilience and success of all communities across the basin for future generations.

Protecting the environment and a freshwater resource that is the envy of the world was critical to our region's ongoing success and ability to attract the best and brightest people, companies, and changemakers. We empowered you and your staff to address the most pressing issues impacting your residents, including flooding, coastal erosion, aging infrastructure, and ensuring that every resident had access to clean and affordable water.

We also recognized the potential for our basin to become a leading blue-green economic corridor. In 2025, our Mayors Commission on Economic Transformation planned to deliver a 10-year plan to remake our fresh coast economy and ensure that the basin remained an ideal place to live, work, invest, and play for the next 50 years.

We looked forward to your continued commitment to the Cities Initiative. Please review this report, and don't hesitate to reach out with any questions or concerns. Let's aim to make 2025 an even more successful year for our coalition.

KEY DELIVERABLES ACHIEVED

- 1 Advocated for the Brandon Road Interbasin Project, unlocking **\$274 million** in federal funding and **\$114 million** in non-federal funding, advancing the project to the construction phase to **prevent the spread of invasive carp**.
- 2 Pushed for the **implementation of the CAD \$500 million Blue Fund in Québec** through increased royalties on important water users to finance water-quality protection initiatives, including **\$80 million** for water-infrastructure including upgrades.
- 3 Supported the launch of the independent **Canada Water Agency** to strengthen coordination of freshwater policy and securing the roll out of the first phase of enhanced funding under Canada's **\$420+ million** Great Lakes and St. Lawrence River protection commitment.
- 4 **Endorsed the Great Lakes Restoration Initiative (GLRI) Act of 2024**, encouraging the U.S. Congress to extend the GLRI's authorization for an additional five years while increasing spending to **\$500 million** annually.
- 5 Advocated to the U.S. Environmental Protection Agency for fair distribution of lead service line funding under the **Infrastructure Investment and Jobs Act**, resulting in funding increases for five of eight Great Lakes states and a **\$16 million award to Milwaukee** for lead service line replacement funding.

Enhancing International Cooperation and Influence

Signed a Memorandum of Understanding with the **Council of the Great Lakes Region** — an organization dedicated to maintaining the Great Lakes region’s economic competitiveness through sustainable development — to help guide our new strategic pillar on Economic Transformation.

Established a **Memorandum of Cooperation with Conservation Ontario** to address coastal erosion, flooding and storm impacts for member communities in addition to partnering on a briefing for elected officials at the **Association of Municipalities of Ontario’s Annual Conference in Ottawa**.

Recruited more than 70 businesses, government agencies, and non-profit organizations to serve as **advisors to the Mayors Commission on Economic Transformation**.

Co-organized a **Mayoral Reception at the Dutch Ambassador’s residence** with Climate Mayors and Mississippi River Cities and Towns Initiative, which was attended by more than 100 thought leaders and government officials, including Senator Amy Klobuchar of Minnesota

and John Podesta, Senior Advisor to the President for Clean Energy Innovation and Implementation.

Hosted an educational public event in Chicago entitled, “Honoring Our Waters,” to **showcase strong partnership between Indigenous and Municipal leaders**, co-hosted by our partners at the Biinaagami Initiative, Canadian Geographic, Swim Drink Fish, and the City of Chicago.

2024 Highlights

BUILDING A SUSTAINABLE FUTURE FOR THE BASIN

Great Lakes Coastal Resiliency Study

Hosted a high-impact policy roundtable in Washington D.C., led by the Mayors Commission on Coastal Resilience, to strengthen municipal engagement with the Great Lakes Coastal Resiliency Study. This event featured Major General Mark C. Quander, Commander of the Great Lakes and Ohio River Division of the U.S. Army Corps of Engineers, alongside other key project partners, resulting in a renewed commitment to collaborative resilience planning and actionable support for Great Lakes communities.

Great Lakes Lead Pipes Partnership at the Water Summit

Launched the Great Lakes Lead Pipes Partnership at the White House Water Summit in April 2024, led by three Mayors Commission on Water Equity members – Mayor Brandon Johnson of Chicago, Mayor Mike Duggan of Detroit, and Mayor Cavalier Johnson of Milwaukee – to expedite lead service line replacement in Great Lakes big cities with the heaviest lead burdens.

Basin-Wide Declaration Signed by Major Cities and Endorsed by All Members

With record attendance, the Cities Initiative's launched the Mayors Commission on Economic Transformation at its 2024 Annual Conference in Montréal, QC. Mayors Valérie Plante of Montréal, Mayor Brandon Johnson of Chicago, IL and Mayor Cavalier Johnson of Milwaukee, WI signed a declaration, endorsed by all Cities Initiative members, to collaborate on an Action Plan that will guide the way for our region to become a leading blue-green economic corridor

Québec Government's New Maritime Strategy

Teamed up with the Québec Union of Municipalities and the Saint-Lawrence Economic Development Network to position mayors and industry leaders as key partners as the Québec government renews its maritime strategy. This vital and strategic industry supports over 27,000 jobs in the province, and more than 350,000 jobs across the Great Lakes-St. Lawrence Seaway, while connecting the heart of North America to the Atlantic Ocean.

Be a Part of Economic Transformation

A shift from traditional industry to a sustainable blue-green economic corridor that attracts eco-friendly industries, revitalizes waterfronts, adopts renewable energy, and enhances water-based commerce, establishing the Great Lakes and St. Lawrence River Basin as a leader in sustainable development while preserving freshwater resources for future generations.

ANNEX - MAYORS COMMISSIONS

MAYORS COMMISSION ON WATER ACCESS

Leadership in Canada: Grey County (ON), Repentigny (QC)

Mission Statement: *Ensuring access to safe, secure and affordable drinking water; and safekeeping the water quality and ecosystems health of our lakes and rivers.*

Priority areas:

- Ensure dedicated **long-term, predictable funding for water, wastewater and stormwater infrastructure** that is not in competition with other needs. (mix of shovel-ready and other projects)
- Supporting the implementation of historic **freshwater funding** from the federal government, including direct funding in municipal projects.
- Working towards better **public access** to water assets in our regions
- Tackling **emerging pollutants and invasive aquatic species** through better monitoring, adapted standards and increased enforcement
- Supporting the **bi-national legal framework** protecting Great Lakes water quality

MAYORS COMMISSION – COMMUNITY RESILIENCE

Leadership in Canada: Tecumseh (ON), Contrecoeur (QC)

Mission Statement: *Supporting our communities in their adaptation to climate change, striving for resilience of the municipalities and their infrastructure against erosion, urban flooding.*

Priority areas:

- Securing appropriate **funding for municipal resilience programs**, especially through the Disaster Mitigation and Adaptation Fund – Advocacy through the Climate Proof Coalition.
- Building **municipal capacity** through resilience programming, best practices and federal programs such as the Flood Hazard Identification and Mapping Program
- Re-establishing the **shoreline erosion funding** that had been canceled in 1997.

MAYORS COMMISSION – ECONOMIC TRANSFORMATION

Leadership in Canada: Cobourg (ON), Montréal (QC), Québec City (QC)

Mission Statement: *Charting a roadmap for the region and our cities to ensure that economic development goes hand in hand with climate action and social equity.*

Priority areas:

- Attracting **new sustainable jobs and industries** in the region, as well as supporting the creation of new regional industrial champions.
- Supporting the development of a **decarbonised energy grid** and the decarbonisation of municipal energy utilities.
- Expanding **decarbonised shipping**, supporting a modal shift to maritime/rail shipping, with better integration of the cities and their ports.
- **Redeveloping our waterfronts** to foster resilience, multi-use and publicly accessible areas in the city that support increased life quality, new developments and public access.

Strengthening Local Care: Algonquin College Launches New Nursing Degree Program

FOR IMMEDIATE RELEASE

PEMBROKE (Nov. 25, 2025) - Algonquin College is proud and excited to open applications for its newly approved **Bachelor of Science in Nursing (Honours)** degree program, available at Pembroke and Ottawa campuses.

The launch comes as Algonquin College celebrates **50 years of nursing excellence**—a milestone that reflects our long-standing commitment to preparing skilled, compassionate health-care professionals who strengthen care across our region and beyond.

The new program builds on our proven strengths in hands-on, high-quality nursing education. Graduates will be eligible to apply for registration as **Registered Nurses (RNs)** in Ontario and will be well prepared to serve in hospitals, long-term care facilities, community health organizations, and home and community care providers across the region and beyond.

“For communities in Ottawa, Pembroke, and surrounding areas, the program represents a meaningful investment in accessible, locally delivered nursing education that will help address current labour shortages and support healthier communities for years to come,” said Julie Beauchamp, Algonquin College’s Senior Vice President, Academic.

“Our outstanding faculty and academic teams, together with the strength of our long-term health-care partnerships, form the foundation of our nursing programs. It’s this collaborative network that allows us to deliver world-class education and clinical training—directly supporting the health and well-being of the communities we serve.”

Applications are also scheduled to open in Fall 2026 for an accelerated BScN (Honours) pathway which would see the four-year Honours degree delivered across 3 years and 4 months. This innovative option enables learners to complete their degree more efficiently while maintaining full academic rigor, comprehensive clinical preparation, and a strong emphasis on mental-health supports.

The College’s partners are also pleased to see the new program’s approval:

“Algonquin College’s expanded nursing degree pathways will help ensure a strong pipeline of skilled, compassionate nurses for our region. The Ottawa Hospital is proud to support the hands-on learning and clinical training that prepare graduates to deliver exceptional care to the patients and communities we serve.” - **Janet Graham, Chief Nursing Executive and Executive Director, Medical Care, The Ottawa Hospital.**

“Without the College, we wouldn’t be able to staff many of our units. Having students and recent graduates at Pembroke Regional Hospital (PRH) is a must as they come with the latest and greatest training and knowledge.” - **Sabine Mersmann, CEO of the Pembroke Regional Hospital.**

About the Programs

The Bachelor of Science in Nursing (Honours) program provides learners with a comprehensive foundation in nursing theory, clinical decision-making, and hands-on practice. Training occurs in modern classrooms, high-fidelity simulation environments, and applied nursing skills labs designed to replicate real-world health-care settings.

Learners are supported through a wide range of clinical placements and a final consolidation experience in diverse health-care environments, including:

- Hospitals
- Long-term care homes
- Home and community care
- Community health organizations

The curriculum integrates:

- Evidence-informed practice
- Indigenous Knowledge systems and multiple ways of knowing
- Cultural humility and person-centred care
- Intra- and interprofessional collaboration

Graduates are prepared to write both the **NCLEX-RN** and the **CNO Jurisprudence Examination**, enabling them to practice across Canada and internationally.

Admissions Requirements

Applicants must meet both **College Eligibility** and **Program Eligibility** requirements. Applications are open to learners with an Ontario Secondary School Diploma (OSSD) and to mature applicants who meet the specific academic prerequisites.

This presentation is a condensed report of your insurance coverage. Nothing herein alters the terms, conditions and exclusions contained in the printed insurance contract.

Corporation of Township of Brudenell, Lyndoch & Raglan

Insurance Proposal

Policy Term

January 1, 2026 - January 1, 2027

November 27, 2025

1

Important – Please Note The Following

Duty of Disclosure

In addition to providing all basic information necessary to enable us to place the risk, you must ensure that you are complying with your legal duty of disclosure of all material matters relating to the risk. In particular, you must satisfy yourself as to the accuracy and completeness of the information you provide to insurers. In this respect, you must provide all information relating to the risk, whether favourable or not, which would influence the judgement of a prudent insurer in determining whether he will take the risk, and, if so, for what premium and on what terms. If all such information is not disclosed by you, insurers have the right to void the policy from its inception which may lead to claims not being paid.

Payment Terms

Premiums are due and payable on receipt of a Marsh invoice. Payment should be made immediately to avoid any possible cancellation for non-payment of premium.

Period of Validity of Quote

This offer remains open for acceptance by the Insured until the expiry of the current Municipal Insurance program policy(ies).

Breach of Warranty or Subjectivity

If any of the terms and conditions contained in this proposal are identified as a “warranty” or as a subjectivity to binding or continuing cover, you should be aware that if the terms of the warranty as stated are breached or the subjectivity is not met, insurers may have the right to void the applicable coverage and deny any resulting or subsequent losses as a result.

Underinsurance

It is important that all policy limits and amounts insured be reviewed carefully and at least annually to be certain they are adequate to provide full recovery in event of a loss.

Underwriting / Binding Authority

Certain portions of this quotation of cover have been provided by Marsh Canada Limited acting in an underwriting capacity on behalf of the Insurer who, under a binding authority agreement, has given us authority to quote and confirm insuring terms, conditions and premiums. Marsh Canada Limited is not acting as an insurance broker in this instance and is not providing alternative terms or markets for the cover other than as quoted. For covers where Marsh Canada Limited does not act in an underwriting capacity nor has a binding authority agreement with the Insurer, coverage cannot be bound with those Insurers unless a request is made to the

Insurer and confirmation of coverage is subsequently received by Marsh Canada Limited from the Insurer.

Material Changes From Expiring Policy

You should carefully note any items identified in the “Changes from Expiry” section under each coverage as they represent material changes in cover from your previous policy.

Risk And Claims Information

This proposal has been based on the risk and claims information provided and/or verified by you to Marsh Canada Limited. If any of this information is not correct or has changed in the interim, you must advise us immediately as the terms quoted may therefore be invalid and cover cannot be bound as quoted.

Taxes Payable By Insureds

The following taxes as prescribed by federal and/or local laws and regulations will apply to all or certain portions of the premiums quoted and will be charged by Marsh Canada Limited in addition to the premiums quoted:

Provincial Sales Tax

BRUDENELL, LYNDOKH AND RAGLAN**

BY-LAW NO. 2025-46

Being a By-law to adopt an Emergency Management Program and Emergency Response Plan and to meet other Requirements under the *Emergency Management And Civil Protection Act*

WHEREAS under the *Emergency Management and Civil Protection Act*, R.S.O. 1990, c.E.9 (the “*Act*”), as amended, and Ontario Regulation 380/04 (the “*Reg*”), as amended, every municipality in the Province of Ontario is required to:

- Develop and implement an emergency management program, which shall consist of:
 - An Emergency Response Plan;
 - Training programs and exercises for employees of the municipality and other persons with respect to the provision of necessary services and the procedures to be followed in emergency response and recovery activities;
 - Public education on risks to public safety and on public preparedness for emergencies;
 - Identification and assessment of hazards and risks to public safety, including identification of critical infrastructure; and
 - Any other element required by the standards for emergency management programs set under the *Act* or by Emergency Management Ontario;
- Designate an employee of the municipality or a member of the council as its Community Emergency Management Program Coordinator (CEMC);
- Establish an Emergency Management Program Committee;
- Establish a Municipal Emergency Control Group (MEGC);
- Establish an Emergency Operations Centre (EOC) to be used by the Municipal Emergency Control Group in an emergency; and
- Designate an employee of the municipality as its Emergency Information Officer (EIO);

AND WHEREAS is prudent that the emergency management program developed under the *Act* be in accordance with international best practices, including the five core components of emergency management: prevention, mitigation, preparedness, response and recovery;

AND WHEREAS the purpose of such a program is to help protect public safety, public health, the environment, critical infrastructure, and property during an emergency and to promote economic stability and a disaster resilient community;

NOW THEREFORE the Council of the Corporation of the Township of Brudenell, Lyndoch and Raglan hereby enacts as follows:

Emergency Management Program

1. An Emergency Management Program for the municipality will be developed and reviewed annually by the Emergency Management Program Committee consistent with and in accordance with the *Act* and *Reg* and international best practices, including the five components of emergency management, namely: prevention, mitigation, preparedness, response and recovery. And such program shall include:
 - a. Training programs and exercises for employees of the municipality and other persons with respect to the provision of necessary services and the procedures to be followed in emergency response and recovery activities;
 - b. Public education on risks to public safety and on public preparedness for emergencies; and
 - c. Any other elements required by the standards for emergency management set under the *Act* or by Emergency Management Ontario.
2. The Emergency Management Program shall be consistent with the objects of protecting public safety, public health, the environment, critical infrastructure and property, and to promote economic stability and a disaster-resilient community.

Emergency Response Plan

3. The Emergency Response Plan, which has been developed in accordance with the requirements of the *Act* and *Reg* and international best practices, and which is attached hereto as Appendix "A" is hereby adopted (the "Plan").
4. The Plan shall be reviewed annually by the CEMC and the Emergency Management Program Committee. The CEMC is authorized to make such administrative changes to the Plan as appropriate to keep the Plan current, such as personnel, organizational and contact information updates. Any significant revision to the body of the Plan shall be presented to Council for approval.
5. When an emergency exists but has not yet been declared to exist, Township employees and the Municipal Emergency Control Group may take such action under the Plan as may be required to protect property and the health, safety and welfare of the inhabitants of the Township.

Community Emergency Management Coordinator

6. The Clerk-Treasurer is hereby appointed as the primary community emergency management coordinator (the "CEMC") responsible for the emergency management program for the Township including annual maintenance of the Plan, training, exercises, public education and such duties and responsibilities as outlined in the *Act* and *Reg*.
7. The Fire Chief/Operations Manager is hereby appointed as alternate CEMC to act in place of the primary CEMC in his/her absence.

Emergency Management Program Committee

8. The persons from time to time holding the following positions in the municipality, or their designates, shall be members of the Emergency Management Program Committee:
 - a. Clerk-Treasurer;
 - b. CEMC and Alternate CEMC;
 - c. Fire Chief/Operations Manager;
 - d. Deputy Clerk;
 - e. Public Works;
 - f. Mayor or Deputy Mayor.
9. The CEMC is hereby appointed as chair of the Emergency Management Program Committee.
10. The Emergency Management Program Committee shall advise Council on the development and implementation of the municipality's Emergency Management Program and shall review the program annually.

Municipal Emergency Control Group

11. The persons from time to time holding the following positions in the municipality, or their designates, shall be members of the Municipal Emergency Control Group (MECG):
 - a. Head of Council – Mayor, or designate;
 - b. Operations Officer – Clerk-Treasurer;
 - c. Community Emergency Management Coordinator (CEMC) or alternate;
 - d. Liaison Officer – Deputy Clerk;
 - e. Safety Officer – CEMC or alternate;
 - f. Operations Manager;
 - g. Fire Chief or designate;
 - h. Emergency Information Officer;
 - i. Public Works;
 - j. Others as required (example: County Officials, OPP, Utilities Reps, etc.).

The MECG shall meet annually for training, participate in an annual exercise, and be available 24/7 for notification and activation.

Emergency Operations Centre

12. A primary and an alternate Emergency Operations Centre have been established for use by the MECG in an emergency and with the appropriate technological and telecommunications systems to ensure effective communication in an emergency. The locations of the Emergency Operations Centre(s) are identified in the Plan.

Emergency Information Officer

13. The Deputy Clerk is hereby appointed as the Emergency Information Officer for the municipality to act as the primary media and public contact for the municipality in an emergency.

Administration

14. The Plan shall be made available to the public for inspection and copying at the Brudenell, Lyndoch and Raglan Municipal Office, 42 Burnt Bridge Road during regular business hours and on the Township's website www.blrtownship.ca.

15. The Plan, or any amendments to the Plan, shall be submitted to the Office of the Fire Marshall and Emergency Management as identified in the *Act*.

16. That Appendix "A" is deemed to form part of this by-law.

17. That By-law No. 2004-11 be hereby repealed.

Read and adopted by Resolution 2025-12-03-XX this 3rd day of December, 2025.
